2022 Overview

Union County Guardianship Services provides guardian of person services to adults deemed incompetent by the local Probate Court who do not have family or friends to serve in this role. In 2022, Union County Guardianship Services served 34 (thirty-four) ward-clients directly and assisted many family members in the guardianship process. Union County Guardianship Services also hosted continuing education courses for those in the community who are already guardians. Additionally, Union County Guardianship Services received more than 30 (thirty) referrals in 2022.
