2023 Overview

Union County Guardianship Services (UCGS) provides guardian of person services to adults deemed incompetent by the local Probate Court who do not have family or friends to serve in this role. In 2023, UCGS served 42 (forty-two) ward-clients directly. UCGS also assisted in more than 30 other cases. UCGS hosted an annual continuing education course in April for those in the community who are already guardians.

Client Service Statistics
